ATHENIAN

Nineteen Sixty-Six

**Sherman High School
Sherman, Texas
Volume 49**

FOREWORD

You enter Sherman High School full of plans for the days ahead . . . the pep rallies, studying for that big test, the singing of the Alma Mater, the laughter of students, or the quiet of classes hard at work. Life at Sherman High School is a mixture of the good, the fun loving, the eager, and the studious. Work goes hand in hand with fun here; you profit from work and long remember the fun. A spirited interest in our school world, an interest in sports, extra curricular activities, our ambitions, and a driving need to think originally for ourselves fill our double life at Sherman High School.

When you thumb through your 1966 ATHENIAN a few years from now we hope you won't remember merely the pep rallies and club meetings, or just the long hours of studying for the final test. Rather, if this book serves its purpose, both phases of the double life of which you are a part here at SHS will be brought to mind.

Only when, in the years to come, you look back over this yearbook and see this double life, will this book and this year at Sherman High School be complete.

Mrs. Vera Vaden

There is a very special person,
Dearly beloved of all Sherman High.
We've gone to her with our problems;
On her judgment we've come to rely.

Through the years her staunch belief
In the importance of training the mind
And the value of every school activity
Show a school spirit hard to find.

She believes in the worth of each student;
Realizes they are more precious than pearls.
She recognizes the good in each of us
She's a champion and counselor of girls.

So the ATHENIAN Staff feels it most appropriate,
And an honor that is long over-due,
For us to dedicate our '66 volume,
Our friend,

MRS. VERA VADEN

to you!

Great school spirit and enthusiasm balanced with maturity and high purpose have become well-known characteristics of the students of Sherman High School. These characteristics have been demonstrated in many different ways. Principal of Sherman High School

MR. WALTER CARPENTER

Mr. Walter Carpenter

Mr. Walter Carpenter has been principal of Sherman High School for six years. He has worthily served the Sherman Public Schools in some way for twenty-seven years.

Mr. Carpenter is a life long resident of Sherman. He received his Master's Degree from North Texas State University. He is active in civic affairs and is a member of the First Christian Church.

Principal's Message

As each year passes, the complexities of modern civilization grow steadily. In order for us to keep pace with these more complex situations, we must continue to grow in academic knowledge; we must learn to use our leisure time most effectively; we must learn the meaning of democracy; and we must learn our individual responsibilities in being in such a democracy if it is to survive. As a citizen of the greatest country on earth each of you is limited in the future only by your own ambitions and effort.

May I wish for each of you God's richest blessings and a happy and successful future.

Walter H. Carpenter

Assistant Principal

Mr. H. B. Onley

In this accelerated age the rush for material gain and status often create a haphazard way of life that many times causes selfishness and eliminates true friends. As you grow in maturity and judgement always be true to yourself; therefore you will recognize the rights of others.

IN APPRECIATION

Mr. Jay Buckner came to Sherman High School at the beginning of this past school year, to teach art courses and to sponsor the ATHENIAN. While he was still on the faculty at Dillingham Junior High School, however, he began to work unofficially with the 1965-1966 ATHENIAN Staff preparing for the publication of this, your ATHENIAN. We, your staff, feel that whatever efficiency and creativity displayed in this volume of the ATHENIAN has been largely due to the sincere interest and advice of our sponsor, Mr. Buckner.

JUNIOR CLASS SPONSOR

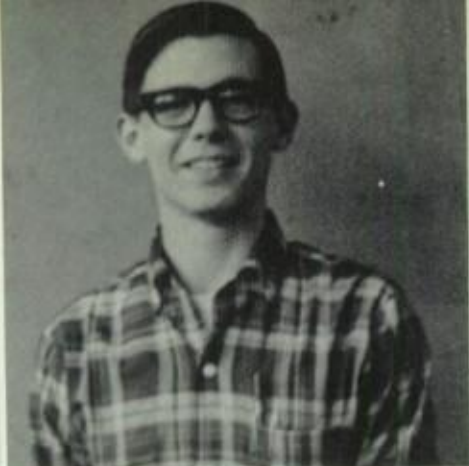

Mr. Norman Bennett

If all class sponsors are good,
 Then Mr. Bennett is the best.
 If all class sponsors are friendly,
 Then Mr. Bennett is the friendliest.
 If all class sponsors plan activities and guide,
 Then Mr. Bennett does the best job.
 If all classes are lucky,
 Then the Junior class is the luckiest,
 Because their sponsor is Mr. Bennett.
 ∴ The Junior Class would like to say,
 "Thank you, Mr. Bennett."

~~Clyde~~ Rusty (oops),
 It has been a real pleasure (?)
 having you in Chemistry this
 year.
 In ~~of~~ the future I hope you
 will remain as popular as you are
 now.
 Really, you are a real sweet, nice,
 kind, and considerate boy. Even though
 you didn't write my song about
 the grape?
 Best of luck.

Dear Rusty, (sp)

I feel so privileged to be the very first to sign your Athenian. You were very considerate to do that. I really enjoyed being with you in Chemistry, in spite of your "cruel, cutting" remarks about my clothes.

Best of luck always because if you ever consider the field of chemistry for a living you'll certainly need it! Oh yes - I'd also like to add "that I don't much like your attitude Rusty."

Love always

Srs '67

Nancy Mitchell
(I tried to be neat in signing)

Rusty,

Since you're not my group leader anymore don't expect too many compliments. Although you have this over-rated superiority complex you're still a fairly decent kid. Stay smart and maybe you'll learn the art of making and keeping friends. But for now I guess you'll probably stay your acrimony cynical self.

Love,

Annette Ingram

It has been wonderful being in Chemistry with you. Thank-you for the privilege of signing your Athenian. Also, congratulations on your recent honor of being allowed to go to Science Symposium. You're a really great kid.

Lots of luck always,

Rusty,

You are a really sweet guy and I sure have enjoyed taking Chemistry. Congratulations on your honor and I hope we will always remain friends. Good Luck in the Future.

Always,

long). Stay as sharp as you are
